Saint Clare's Hospital/Sussex

Saint Clare's Hospital/Sussex began its tradition of caring more than 90 years ago with the establishment of the Franklin and Alexander Linn Hospitals. The names have changed, but our commitment to the health and well being of the community has not.

In addition to the compassionate caring that is a Saint Clare's trademark, the hospital offers a modern emergency department staffed by board-certified physicians and specially trained nurses; inpatient acute care; traditional and same-day surgery; cardiac rehabilitation; critical and intensive care; physical rehabilitation; behavioral health services and cancer screenings.

JOHNNY RIZZO Golf Outing

Join us as we celebrate the 32nd Annual *Johnny Rizzo Golf Outing* on June 17, 2009. As always, proceeds from the outing are dedicated to improving healthcare for area residents. Over the years, more than \$550,000 has been raised for programs, services and equipment.

The *Rizzo Golf Outing* is more than a great day on the golf course. It's a serious effort by the volunteers who run the outing and the community that generously supports it to raise funds for Saint Clare's Hospital/Sussex.

The funds raised from this year's *Johnny Rizzo Golf Outing* will be dedicated to supporting continued upgrades and renovations to the hospital facility.
